

NPower Canada IT Programs Information Session

18-29 years old?
Are you interested
in an IT Career?

Junior Information Technology Analyst Junior Security and Quality Assurance

Learn how you can begin your tech career by completing one of the NPower Canada's FREE training programs in only 15 weeks!

IN THE INFORMATION SESSION YOU WILL LEARN:

- About the application process
- Program design and course details

ELIGIBILITY CRITERIA:

- Young adults ages 18-29
- Completed high school diploma or GED, earned inside or outside of Canada; no prior IT knowledge is required
- Unemployed or underemployed
- Facing financial challenges and barriers to employment
- Advanced English language proficiency - Canadian Language Benchmark (CLB) of 6/7 or higher in speaking, listening, reading and writing
- Successful completion of program assessment, which will determine the NPower Canada program best aligned with your skills, knowledge and goals
- Strong, demonstrated motivation to work and learn

Applications strongly encouraged from members of equity-seeking groups including women, black, indigenous and other racialized youth, LGBTQ2S+ youth and youth with disabilities.
