In celebration of COSTI's 65 years of service to the community, a cocktail reception and awards ceremony was held on **Thursday, October 26, 2017 at the Aga Khan Museum.**

For 65 years COSTI has contributed to the social fabric of our great city, province and country. COSTI was founded in 1952 by the Italian community, to help Italian immigrants settle in their new home. Today COSTI is a community-based multicultural agency providing employment, language training, settlement and social services to all immigrant communities, new Canadians and individuals in need of assistance.

*"This milestone in COSTI's history, allows us to reflect on our achievements over the years and helps us to look towards the future – at what we want to accomplish and what we strive to become – both as an organization and as a community,"* commented Mario J. Calla, Executive Director of COSTI.

Ontario Minister of Citizenship and Immigration, Laura Albanese attended the event and participated in the awards ceremony and recognized COSTI's work in the community. *"Congratulations to COSTI Immigrant Services on 65 years of engagement and contribution to our communities. Your laudable innovative goals, have allowed you to evolve and grow. You are a strong and valuable partner of the Province of Ontario. We all share a positive vision committed to equity for everyone. Best wishes on your continued success."*

The evening included a cocktail reception, followed by a video presentation of COSTI's history and awards presentation recognizing individuals and corporations who have made a significant contribution towards accelerating the engagement of newcomers to Canada. The evening also marked the inauguration of the Corvetti Scholarship Award, presented to three immigrant youth.

In addition, guests had the opportunity to tour museum exhibits as well as view a screening of *Clouds Over Sidra*, a virtual reality film that tells the story of life inside a refugee camp in Jordan through the eyes of a twelve-year old girl named Sidra, placing viewers within the centre of the camp through a 360 degree experience.
