

**LEAD WITH YOUR
PERSONALITY
NOT WITH
YOUR RÉSUMÉ**

The Government of Canada and Magnet are working together to create new pathways to employment for newcomers. ALiGN is an advanced tool used to connect job seekers with the right employment opportunities.

BENEFITS OF ALiGN:

- No experience required: ALiGN is designed to help you match with employers based on your personality, not previous work experience.
- Learn more about yourself: ALiGN uses a personality assessment to identify individual traits, highlighting your unique personality.
- Private & Secure Profiles: Our platform protects your privacy. We keep your personal information hidden until you decide to connect with an employer.
