

Learn Everyday Technology Training Program

Learn Computer and Digital Skills

Join the Learn Everyday Technology program to develop digital literacy and essential skills for daily life activities and employment.

Participants will also enhance basic vocabulary and learn language related to everyday technology.

Topics Include:

- Introduction to Digital Literacy
- Internet Basics
- Communication Tools
- Digital Productivity Tools
- Digital Citizenship

The Learn Everyday Technology program is available for newcomers and social assistance recipients living in Peel Region.

Transportation assistance and Chromebook loan available for eligible participants.

Register today for our upcoming classes in Brampton and Mississauga!

Services are provided at no cost.

Certificate will be provided upon completion of program.
