

Empower Newcomers Enrich Communities

Build Bonds, Share Spaces, Change Lives

COSTI is dedicated to supporting newly arrived families in Canada who require time and assistance to settle in their new city. Your support in hosting a newcomer in your home for a brief period can make a significant difference.

To express your interest, please send an email to:
housinghost@costi.org.

Here's what you need to know:

- COSTI will reach out to you to provide further details about the program.
- All persons living in the house over the age of 18 years will need a valid Vulnerable Sector Screening, which COSTI will facilitate.
- Host agreements can be tailored to suit your availability, ranging from a few weeks to several months.
